Dear Reader,

The Shortest, Easy and less expensive route to become a graduate engineer is AMIE. AMIE Holders is equivalent to B.Tech. AMIE students can apply for GATE Exam, UPSC, & all Govt. Job. Below we furnish the details of AMIE Introduction, Feature, AMIE coaching in Pen Drive / Online / Postal Course.

What is AMIE?

AMIE Full Form is Associate Member of Institution of Engineers. **AMIE** is a degree level exam in the engineering field. The summation of complete passed (grade point and grade points average) obtained in subject of section 'A' and section 'B' and project work and laboratory experiments (applicable number or subjects) is called "Graduate ship Examinations" or Grade.IE. AMIE is the only way through which one can study engineering in the distance education mode and get a Recognized Engineering Degree.

Who Can Study AMIE?

- A recognized 3 years Polytechnic Diploma or its equivalent in any branch of engineering. **(No marks restriction)**.
- +2 / HSC/ Inter with physics, Chemistry & Mathematics with minimum 45 % marks.

(If you possess any qualification higher than or equivalent to the above, still then you are eligible to apply for AMIE).

The IEI

The **Institution of Engineers India (IEI)** is the national organization of engineers in India. The Institution of Engineers India was incorporated by the Royal Charter in 1935. It is authority that prepares syllabus, conduct examination and issues certificates etc. Modulation Institute is not an agency but a best coaching center for AMIE. Apart from Pen Drive / Online / Postal coaching we help student's community in arranging AMIE admission.

Syllabus

The AMIE syllabus has two parts: - Section A and Section B (similar to 1st year, 2nd year etc. of any formal degree course). Those who join for AMIE must pass all subject in section A first, thereafter he should study section B.

Subject in Section A

Fundamentals of Design and Manufacturing
Material Science and Engineering
Computing and Informatics
Society and Environment

Diploma Holder

Mechanical Science
Engineering Physics and Chemistry
Engineering Drawing and Graphics
Electronics and Instrumentation
Engineering Mathematics
Electrical Science

+2 Holders

The detailed subject wise syllabus shall be given to you in our Pen drive / Online / Postal courses material.

Subject in Section B

Mechanical Engineering
Civil Engineering
Electrical Engineering
Electronics & Communication

Examination

AMIE examinations are conducted in every June and December. The examination is written-type and is of 3 hour duration: No laboratory exam: No internal assessments: No viva. The examinations are conducted in all major cities in India and Gulf Countries.

How to Study

AMIE students need to study from very basic level to top level. AMIE required quality answers for each question and also AMIE is passing marks are high. But students are habitual to write answers not to the point , they write wrong or baseless answers, so Modulation Institute providing quality education for AMIE full video course lecture and study material (Hand written notes) for the AMIE students. We are also providing Online / Pen Drive / Postal Courses as well. For better AMIE result need to understand:-

- How to study / Preparation
- How to write papers
- How to remember concept for long time.

Modulation Fee structure

Subjects (Section A)	Pen Drive Course	Online Course	Postal Course
Fundamentals of Design and Manufacturing	4000	3000	1000
Material Science and Engineering	4000	3000	1000
Computing and Informatics	4000	3000	1000
Society and Environment	4000	3000	1000
Mechanical Science	4000	3000	1000
Engineering Physics and Chemistry	4000	3000	1000
Engineering Drawing and Graphics	4000	3000	1000
Electronics and Instrumentation	4000	3000	1000
Engineering Mathematics	4000	3000	1000
Electrical Science	4000	3000	1000

Subjects (Section B)	Pen Drive Course	Online Course	Postal Course
Mechanical Engineering	5000	4500	1000
Civil Engineering	5000	4500	1000
Electrical Engineering	5000	4500	1000
Electronics & Communication	5000	4500	1000

Course fee explanation:-

In pen drive course for section A :-

1. Charge for video lecture and study material is 2500/ per paper.
2. Dongle charge is 800/ and Pen Drive charges a/c to your course size.
3. courier charge taken approx. 200/

Note :-

- If you want one subject then you need to pay 4000.
 - If you want two subjects then you need to pay 6500.
 - If you want three subjects you need to pay 9000.
 - If you want four subject you need to pay 11000.
-
- If you want 1500 is refundable for each students for one registration then you send pen drive kit on institute given address. And get 1500/ refund on your given account.

In pen drive course for section B :-

1. Charge for video lecture and study material is 3500/ per paper.
2. Dongle charge is 800/ and Pen Drive charges a/c to your course size.
3. courier charge taken approx. 200/

Note :-

- If you want one subject then you need to pay 5000.
 - If you want two subjects then you need to pay 8000.
 - If you want three subjects you need to pay 11000.
 - If you want four subject you need to pay 14000.
-
- If you want 1500 is refundable for each students for one registration then you send pen drive kit on institute given address. And get 1500/ refund on your given account.

What to do now?
